

Tools wanted

Your tools transform lives - it's that simple!

We take all sorts of tools and have a dedicated team of volunteers who collect, refurbish and sort them into trade kits. It would be impossible to list all the tools we need on one page, but here's the headlines. Please look at the following pages for a more detailed list by trade kit. If your tools are not listed below, please get in touch and we'll try and give you a quick answer.

All types of hand tools for:

- **Blacksmith's tools**
- **Builder's tools**
- **Carpentry tools**
- **Electricians tools**
- **Gardening tools**
- **Ground workers tools**
- **Leatherworkers tools**
- **Masons/builders tools**
- **Motor mechanics tools**
- **Painting and decorating tools**
- **Plumbing tools**
- **Shoemakers/cobblers tools**

- **Children's scholar packs**
- **Educational books (primary)**

- **Mountain/trial bikes**

- **Sewing machines (manual, electric and treadle)**
- **Knitting machines**
- **Haberdashery**

Fully working IT equipment

- **Desktop computers**
- **Laptops**
- **Scanners**
- **Printers with ink cartridges**
- **Flat monitor screens (widescreen only)**

We also take industrial sewing machines and other large equipment - please ask us as demand for these always outstretches our ability to supply

Please check detailed tool lists below for key trade tools

Scholar packs

Tools are for education too, so we send packs of stationary to schools across African. They are designed to be one per child

A4 Plastic Document	Biro Pens	Protractor and square	Plus £2 contribution to shipping
Wallet	Colouring Pencils	Rubber	
A4 Writing Pad	Geometry Set	Pencil Sharpener	
Pack of Pencils	Ruler	Small Calculator	

Educational books

We accept primary school books in core subjects suitable for education in Africa. We also accept some secondary books. Please contact us to check suitability of books. You can contact our book coordinator; Jean at books@twam.uk

Mountain and trail bikes

We take tough bikes capable of coping with the terrain of Africa. This means strong traditional men's bikes or both men and women's modern mountain/trail bikes. Women's bikes must have a double frame for the required rigidity. I'm sorry but we can't take any children's bikes.

Tools wanted

Sewing machines

We accept manual, electric and treadle machines. We have a dedicated team of volunteers who will lovingly refurbish even the oldest machine. The demand for machines is always very high, but manual and treadle are like gold dust.

We also need cottons, threads, buttons, thimbles, needles, patterns and material to send with the sewing machines.

Knitting machines

There is always a big demand for knitting machines and we are always very happy to accept them.

We also need machine knitting wool, knitting needles and patterns to send with the knitting machines.

We also accept over lockers and embroidery machines

Haberdashery

Sewing machines go out with a sewing kit. You could donate items towards one or make up a while kit yourself. We also have a separate sewing kit leaflet available . It can be downloaded from our website or be sent from Ipswich.

Drawstring bag approx. 12"x12"	Seam binding	Needle case	Buckles
Selection of cottons	Braids	Needle threader	Seam ripper
Lace	Buttons	Safety pins,	Shirring elastic
Tape	Dressmakers' pins	Press studs	Skirt and trouser fasteners
Elastic	Zips	Beads	Tape measure
Ribbon	Dressmaking scissors	Sequins	Thimble
Bias binding	Velcro	Bodkins	
	Sewing needles	Button thread	

IT equipment

We equip entire schools with computers, provide IT for small charities in Africa, Pastors of churches and every conceivable project that needs this vital livelihood creating tool. We never have enough computers to send out. Please donate yours and speak to friends and even your employer about donating surplus equipment to us. Every computer is completely wiped of data to a government certificated standard. Any questions please contact Ipswich and we'll put you in touch with our IT team.

- **Desktop computers**
- **Laptops**
- **Scanners**
- **Printers with ink cartridges**
- **Flat monitor screens (widescreen only)**
